Osaka University
2-1 Yamadaoka, Suita, Osaka 565-0871, Japan
E-mail : fompaper@ap.eng.osaka-u.ac.jp

KEY WORDS: Two-photon absorption, scanning microscopy, photobleaching, contrast mechanism

1. HOW TO WRITE ONE-PAGE ABSTRACT

A limited number of contributed papers covering original unpublished work will be accepted for presentation. This Abstract, of up to one page, must be a **camera-ready form** for direct reproduction. The Abstract must be typed on A4 (297mm x 210mm) white bond paper with **25mm margins** on all sides. Micrographs and other illustrations (monochrome only) are welcomed but must be included within a page limit. The text may be typed in **12-point, Times, single spaced only**. The title of the talk and authors' names, affiliations, complete return addresses, and E-mail address must appear on the top at the pages typed in 12-point Bold and centered. Cite references at the end of the abstract.

2. FIGURES, EQUATIONS AND REFERENCES

We will consider, in order and with examples, the proper presentation of figures, equations, and references. All figures should be placed on the manuscript. Equations should be centered on the page with blank lines above and below. They should be numbered consecutively through the abstract, using Arabic numbers in parentheses at the right hand margin: Reference citations should be within the text by means of square brackets [1]. Number references consecutively. Figure captions should be centered beside or beneath the figure.

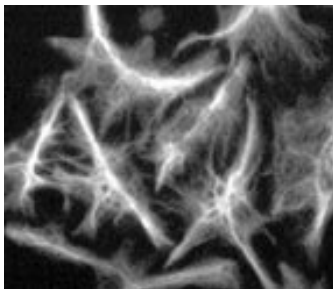

Figure 1: Example of figure.

Follows are the example of references;

[1] A. Author; B. Coauthor, and C. Collaborator, "Title of the paper cited in the main text," *J. in Italic*, **1**, 123-456 (1999).

[2] S. Kawata, Book title underlined, Chapter 1. (Publisher, City, 1999).

3.SUBMISSION OF ABSTRACT

The FOM2000 abstract may be submitted electronically in **PostScript format** via E-mail to **fompaper@ap.eng.osaka-u.ac.jp**. The Due date for submission of abstract is **January 15, 2000**.
